Abstract

“Seito Sidou Teiyou” was published in 2010 by the Ministry of Education, Culture, Sports, Science and Technology. The book aims to activate Seito Sidou in every school from primary through to high school. However, it is not easy for those not familiar with Seito Sidou to read and understand the content.

This article is a short guide for reading “Seito Sidou Teiyou”. The material included here will help those who have difficulty reading “Seito Sidou Teiyou” by showing what Seito Shido is in plain language (Japanese).
